

CURRICULUM OVERVIEW

SPRING TERM 2 EYFS

This half term Hedgehogs will be learning all about Growth and Change

If you want further information please contact Miss Wetherspoon

COMMUNICATION AND LANGUAGE

We will be learning about what happens on farms, and where the food we eat comes from. We will be talking about our favourite foods and expressing our preferences. We will be learning new vocabulary related to farmyards.

LITERACY

We will be reading stories and non-fiction books that help us gain knowledge about animals and farm-yards and life cycles. We will begin writing short sentences using our phonic knowledge.

MATHS

This term we will be continuing our learning about number bonds to 5 and extend these to 10. We will be focusing on counting forwards and backwards. We will also be looking at different ways to measure things.

PERSONAL, SOCIAL AND EMOTIONAL DEVELOPMENT

Our Jigsaw piece this half term is called 'Healthy Me' and focuses on keeping healthy and safe. We will be setting ourselves simple goals to work towards and talking about being patient and waiting for things to happen.

UNDERSTANDING OF THE WORLD

We will have lots of visitors to our classroom this half term - some caterpillars that we will watch turn into butterflies and hopefully some frogspawn that will hatch into tadpoles. We will be growing some plants and looking at how they change over time as well as learning their names and different parts. In RE we will be learning about Easter and why it is an important time for Christians. We will look at symbols of Easter and learn what they mean.

EXPRESSIVE ARTS AND DESIGN

This half term we are learning about observational art and still life. We will look at the artists Paul Cezanne, Georgia O'Keefe, and Vincent Van Gogh. We will be looking closely at things we can see and carefully choosing the colours we need. We will go outside and sketch some of the signs of spring we can see.

PHYSICAL DEVELOPMENT

We will be continuing our learning about keeping our bodies healthy in lots of different ways. In PE we will be focusing on dance skills and balancing.

MUSIC

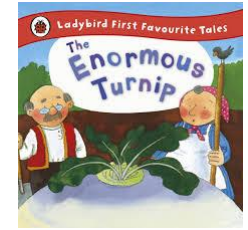

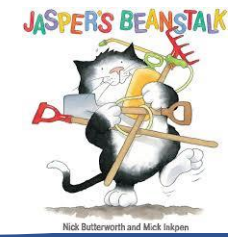

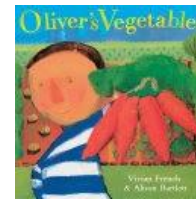

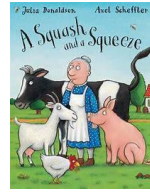

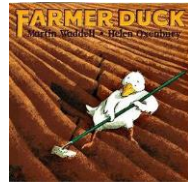

During this topic we will be learning some animal songs, and will perform them with a variety of instruments.

HOMEWORK BINGO IS DUE
MONDAY 31ST MARCH

BOOKS WE WILL BE READING

VOCABULARY

LITERACY I like.... Because, blurb, non-fiction, information book

MATHS number bonds, more than, less than, total, adding, taking away, bigger, smaller

HOW YOU CAN SUPPORT AT HOME THIS TERM

Homework: Please complete the homework bingo with your child.

Maths: Counting lots of objects e.g. fruit in the bowl, steps up to bed, bottles in the bathroom etc.

Literacy:

Writing - Please encourage your child to practice writing their name with a capital letter at the beginning and the rest in lower case e.g Bobby

Reading and Phonics - Ensure that you read with your child at least 3 times a week. They will have a phonics reading book, to read themselves and a reading for pleasure book that you can read with them

**HOMWORK BINGO IS DUE
MONDAY 31ST MARCH**

HOMWORK PICK AND MIX EYFS SPRING 2

HOMWORK BINGO IS DUE
MONDAY 31ST MARCH

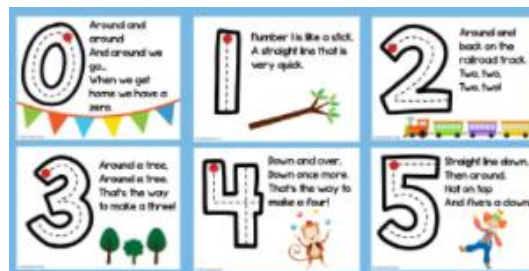

Please complete one activity from each of the learning columns below: One topic, one Literacy and one Maths, so in total you will have completed 3 different pieces of home learning.

LITERACY

- Can you write some information about your favourite farm animal? Where does it live? What sound does it make?
- Can you write some words using your sounds?
- Can you write about the story 'Farmer Duck'? What happens to the Duck? Why does he feel so sad?
- Can you practice your new phonics sounds? Can you say all of them very quickly?
- Practice writing your name remembering to use a capital letter at the beginning.

MATHS

- Can you practice drawing numbers to 10 in different ways? Can you draw 10 dots? Can you draw the 6 numicon shape?
- Can you practice your number bonds to 5? What goes with 3 to make 5? What goes with 4 to make 5? Can you find all the ways to make 5?
- Can you practise writing your numbers to 10?

TOPIC

- **UNDERSTANDING THE WORLD**
 - Can you find out where food comes from? You can use a kid's search engine such as kiddle.com or look on the packets in the supermarket. Can you write or draw a shopping list?
- **PSED**
 - What are healthy things to eat? How do we look after our bodies and keep them healthy?
- **EXPRESSIVE ARTS AND DESIGN**
 - Can you create your own picture of a farm-yard animal? You could draw, paint, colour, stick or use your own ideas!
