

Together, we learn and grow

## EMAT Torch Relay Event 12<sup>th</sup> June

Dear Parents/Carers,

We are excited to be holding the EMAT Torch Relay next month as part of our annual Olympic Day activities.

This is a whole school event in which pupils at each of our seven schools will be invited to walk or run around a mile, together clocking up a total of 5,000 miles - a mile per pupil across the East Midlands Academy Trust.

The torch, designed and created by one of our design technology teachers, will move from school to school throughout the week beginning June 10<sup>th</sup>.

Shepherdswell Academy will hold our torch relay on Thursday 12<sup>th</sup> June. We are delighted to be joined by British Olympian and gold medallist Shona McCallin MBE, who will be accompanying some of the pupils for their torch relay. All children must be wearing their PE kit on this day.

We are very much looking forward to this fantastic event. If you have any questions regarding this event, please speak to me on the playground in the mornings before school.

Many thanks,

Jonathon Curtis
