

Monday 9th October

MK CAN World Record attempt

Dear All,

As you might be aware MK Foodbank are organising a world record attempt for the longest line of food cans in Campbell Park on Monday 16th October, in the MKCAN event.

Orchard and Shepherdswell are supporting this event and we are hoping that all the children in both schools can help MKCAN and be World Record breakers in the process.

We need donations of 350 cans, which is one can per child from both schools. We would also like some parent volunteers to help support us with our section of the line. This needs to be manned by 5 adults from 9am – 4pm.

Children in the School Council, Pupil Parliament and Eco Council from each school will be attending throughout the day and any parent volunteers will be able to bring their child/children to support during their slot.

Please bring any donations of food cans to your child's class teacher by Friday 13th October, and if you are able to spare two hours of your time please contact me sharing which time slot is best via the Shepherdswell Office: shepherdswelloffice@shepherdswell.emat.uk by Wednesday 11th October, so I am able to arrange a timetable.

Many thanks

Ellen Williams
Head of School
