Important
Information

Our PE Day is:
Tuesday

What are we learning this half term?

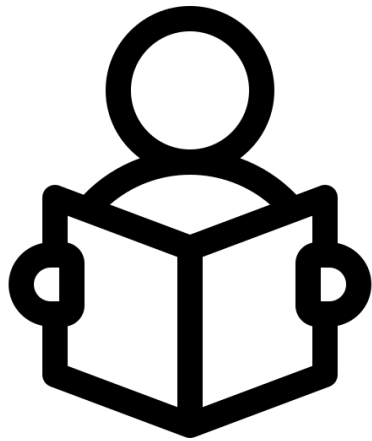

Our topic is All About Me.
We will be learning all about ourselves, our emotions, our families, and our houses.

We will be learning to share and take turns, and to look after our classroom.

More information is on the curriculum overview document sent out to you.

How can you help your child with reading?

At this age children are learning that print has meaning, you can help with this by reading things like cereal boxes, shop names, road signs etc.

We are also learning to tell stories. We will be making up our own stories using familiar characters.

Read lots of books at home. The children will bring home a reading for pleasure book from school every Monday.
