Who can apply for a place at our nursery?

Our wonderful nursery is organised into morning and afternoon sessions, 5 days a week catering for 3 and 4 year olds. Your child may start at our nursery in the term following their 3rd birthday and stay until they start the Reception year of school. Children of this age are automatically entitled to 15 hours per week childcare funded by the government. We offer these sessions as five morning sessions or 5 afternoon sessions and ask that children are registered with us for 5 days per week. In addition, we offer a number of 30 hour per week fully funded places, for those eligible and these are subject to availability.

Currently, we offer 16 morning and 16 afternoon places. The nursery is open term time only. Term dates can be found in the Parents section of our school website.

The numbers and ages of children admitted to the nursery comply with the legal space requirements set out in the Early Years Foundation Stage (EYFS).

We take the following matters into account when prioritising and deciding on admissions:

- Availability of places, taking into account the staff: child ratios, the age of the child and any registration requirements
- Any extenuating circumstances affecting the child's welfare or the welfare of their family.
- The nursery's ability to provide the facilities necessary for the welfare of the child, including appropriate staffing arrangements.
- Children who have siblings who are already with us.
- Children that live in the catchment area for Orchard and Shepherdswell Academy.
- When the application is received (extra weight is given to those who have been on the waiting list the longest)
- A child requiring a full-time place (30 hours) may have preference over one requiring a part-time place (15 hours). This is dependent upon work commitments, occupancy, and room availability.

We operate an inclusion and equality policy and ensure that all children have access to nursery places.

Prior to a child attending nursery, parents must complete and sign a contract and registration form.

If your child is transferring from another setting there maybe notice period. Please ensure that this has been given before committing to start with Shepherdswell Academy Nursery.
